VILLAGE LIFE

One month in the Kuy village of O'Krouch
21 July 2008

Our month in O'Krouch went well. We worked on Kuy language using the LAMP method; working each day with a language helper, learning a little, recording it, listening a lot and then

Tom and Ben helping prepare Pastor Kon Kouen's field for planting

practicing what we learned with as many people as possible. Our understanding of the Kuy language and lifestyle grew. Sundays, we joined with a couple of local churches in Kuy villages. People were very welcoming even though they were busy with their rice planting. Nate and Nikki did great, learned a lot and had plenty of fun playing new games with the kids and swimming in the reservoir. Thanks for your prayers.

Ben (a Fijian Missionary) came up for a few days with four young Cambodian men from his church in Phnom Penh. They worked with Pastor Kon Kouen

clearing a field and got to know a few people.

Please pray

- that we will find ways to preserve and build on our knowledge of Kuy language.
- for our language tutor, Ian, to come to Jesus.
- Next month, Met and Ben will be doing Strategy Coordinator training. Pray for their work with Tom in developing a Master Plan to reach the Kuy people of Cambodia.
