

# THE KUY VILLAGE ADOPTION PLAN

10 March 2010

Our vision is “a Church Planting Movement among the Kuy people of Cambodia that brings glory to God.” We want to plant churches among the Kuy People of Cambodia and to see these churches reproducing themselves so that the gospel of Jesus Christ spreads to all the approximately 70 villages of the Kuy in Cambodia.

## The Primacy of Prayer

As we looked back at our plan for work among the Kuy of Cambodia we were struck again with the vital importance of prayer. God's word is full of exhortations to pray.

We have committed ourselves anew to praying regularly and faithfully for a Church Planting Movement among the Kuy. In addition we want to increase the intensity of prayer for them around the world.

We believe that God is the one who draws people to himself. We cannot hope to see churches planting churches apart from His power. He has ordained prayer as a strategic part of our participation with Him in His amazing plan for the nations. We feel the time is right for a concerted effort of prayer toward specific villages.

**YOUR PART:** We are looking for communities of believers willing to commit to pray regularly for one of these villages. Are you a part of a Bible study, prayer group, Sunday School class or other small group that meets regularly? Would you be willing to suggest that your group adopts a Kuy Village?

Do you know others who are interested in seeing the gospel spread to every corner of the world? They can learn more about us and the Kuy people at our web site: [www.newhousesonline.com](http://www.newhousesonline.com). Or send us an email address or postal address and we will get some information to them about adopting a Kuy village for prayer.

### PRAY with us for:

- hundreds of people praying for the Kuy
- a small group to pray for each Kuy village in Cambodia
- a prayer movement among the Kuy themselves

**OUR PART:** We will send you some basic information about the Kuy people and a profile of a village to pray for. We will also add your name, and any others in your group who are interested, to our regular monthly Kuy Prayer Update which goes out by email. As there are new things to pray for or answers to prayer, we will send you updates about your village.
